

**Certificate of Conformity  
RoHS Directive 2002/95/EC**

ViewCast Corporation is committed to compliance with the European directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment, Directive 2002/95/EC, the RoHS directive.

From the 1<sup>st</sup> of July 2006, products that are supplied to the European Union will comply with the RoHS directive. ViewCast certifies that equipment shipped to the European Union conforms to the Directive with exceptions using the Category 3 exemption provided in the Annex of the 2002/95/EC directive.

The above exemption in Category 3 "*Lead in solders for servers, storage and storage array systems, network infrastructure equipment for switching, signaling, transmission as well as network management for telecommunications*" applies to the following product lines.
